

Activity Summary For Weekends

Camp Wilkin

Interested in outdoor adventure?

Our weekend hosts are happy to help!

Has the time come to get your weekend program organised? Are you looking to incorporate some of our outdoor adventure activities?

Our program staff are experienced and qualified in leading a large variety of groups through a range of onsite activities. There are also a number of activities that can be set-up by our camp staff and then supervised by your own group leaders.

We are a christian campsite and run all our weekend outdoor programs on Saturdays (our staff are at church on Sundays), with two activity sessions offered on the day.

To help you decide which activities to choose, this activity summary is broken up into two parts: **activities supervised by camp staff** and **activities supervised by your group staff**. Included in your camp fees are your choice of two camp supervised activities, as well as any number of activities supervised by your group leaders. **Please note that you will need to provide adequate adult supervision of minors at all activities.**

Once you have made your activity choices our camp staff will be able to arrange them to suit your Saturday program.

It is important to take note of the maximum number participants for each

activity. Making your outdoor activities 'electives' will mean your group can choose the options that suit them and their abilities.

An example of a Saturday activity program:

9:30am-11:30am

High Ropes
Archery
Disc Golf

1:30pm-3:30pm
